

EASYXLS .NET COM Reader/Writer - Minimum System Requirements

In order to install and use the EASYXLS .Net DLL or COM Reader/Writer component, the following are the minimum system requirements.

Hardware Requirements:

- Processor: Intel Pentium class, 166 megahertz (MHz)
- RAM: 128 megabytes (MB) (256 MB or greater recommended)
- Hard disk space required: 40M for the Professional version
- Running with less memory may cause disk swapping which has a severe effect on performance

Software Requirements:

The basic requirement is that the .Net Framework is installed on your computer. You can install the .NET Framework on almost any computer that runs one of the following Microsoft operating systems:

- Windows 8
- Windows 7
- Windows Server 2008
- Windows Vista
- Windows Server 2003
- Windows XP Professional
- Windows 2000 Professional
- Windows 2000 Server
- Windows 2000 Advanced Server
- Windows NT 4.0
- Windows Millennium Edition (Me)
- Windows 98
